

June 2021

Children's Museum of Northern Nevada

Dear friends of CMNN, the Museum is so excited that summer is here! We are having two camps in June and July! Art and Culture Camp will be an adventure around the world this year! Each day will be a new country to explore and create! Our STEM Camp will focus on science, technology, engineering, and math this year! It's not just science but so much more. Come and explore the world of STEM in all aspects of life! June Art and Culture Camp will be held from June 21-25 and June STEM Camp will be held from June 14-18. For more information regarding the Museum's summer camps you can visit cmnn.org or call (775)721-4776.

We are still having our Membership drive if you know anyone who wants to sign up. If you refer a friend, you get a month added onto your membership completely free! The best way to help keep the Museum open, is to have families come in! If you are interested in purchasing a membership, you can buy one at cmnn.org or call (775)884-2226

The downstairs will be closed June 14-18 and June 21-25.

NEW

New Exhibit Coming!

The Carson City Fire Department in partnership with the Children's Museum, are designing a fire department inspired exhibit! It is going to mimic the look of Carson City Fire Dept. Station 51 on Stewart St. Make sure to stay in the know and keep up with updates on our Instagram and Facebook!

Storytime Adventures!

We have Storytime Adventures every Wednesday and Saturday at the Museum! It starts at 10am sharp!

This month's themes are:

- Bees (6/2 & 6/5)
- Flags (6/9 & 6/12)
- Father's Day (6/19)
- The Moon (6/26)
- The 4th of July (6/30 & 7/3)

Upcoming Events!

This month we are celebrating the bees! Come in and learn all about bees the first week of June! We will have a display out in the STEM lab for kids to check out and see a real bee life cycle! June 2nd and 5th we will even have a special Storytime adventure to learn more about the bees!

Back by popular demand is LEGO Day! On June 26th we will be hosting another day full of Legos and fun! There will be crafts, photos, and coloring available. In addition to the pre-made packs of the smaller Legos, we will also be making packs of Duplo Legos as well, for the younger ones!
