

April 2021

Children's Museum of Northern Nevada

Dear friends of CMNN, the Museum is so full of luck and happiness after March! We are so excited to announce another fundraiser and new exhibit! We are installing a periodic table outside of the STEM Lab! We will be selling elements for \$100 each, and you get your name/logo with that element! If you would like to purchase an element and have a lasting effect on the Museum call (775) 884-2226 or visit the Museum! We are so excited for all the new and upcoming changes for the Museum!

We are still having our Membership drive if you know anyone who wants to sign up. If you refer a friend, you get a month added onto your membership completely free! The best way to help keep the Museum open, is to have families come in! If you are interested in purchasing a membership, you can buy one at cmnn.org or call (775)884-2226!

Storytime Adventures!

We have Storytime Adventures every Wednesday and Saturday at the Museum! It starts at 10am sharp, and reservations are required.

(reserve the 10am time slot).

This month's themes are:

Trees (4/3)

At the Farm (4/7 & 4/10)

In the Ocean (4/14 & 4/17)

Earth Day (4/21 & 4/24)

Caterpillars & butterflies (4/28 & 5/1)

Upcoming Events!

This month is filled with events and celebrations! On April 16th we will be hosting a family art night! We are going to teach all about spring! There will be two activities that night, a guided painting and decorating bird houses! It will be from 5:30-8:00pm and admission is required for adults and children!

Back by popular demand is LEGO Day! On April 24th we will be hosting another day full of Legos and fun! There will be crafts, photos, and coloring available. In addition to the premade packs of the smaller Legos we will also be making packs of Duplo Legos as well for the younger ones!
