

March 2021

Children's Museum of Northern Nevada

Dear friends of CMNN, the Museum is so full of love after February. Thank you to every person and business who supported the Museum through the "Chain of Hearts" fundraiser. Every cent goes back into the Museum to make it even better for families in the area. We raised over \$1,000 for the Museum! We cannot wait to introduce new exhibits and new gift shop items as the year goes on! With the help of Lucia Patterson and the museum staff we were also able to deliver over 300 valentines for our seniors! It is amazing what can be accomplished when the community comes together and supports one another.

We are still having our Membership drive. If you refer a friend, you get a month added onto your membership completely free! The best way to help keep the Museum open, is to have families come in! If you are interested in purchasing a membership, you can buy one at cmnn.org or call (775)884-2226!
