

# February 2021

## Children's Museum of Northern Nevada

Dear friends of CMNN, we had an amazing first month of the new year! The Museum would like to introduce its newest Board President, Melanie McCormick. Melanie is excited and wants to improve the Museum for every family in the area. As the Executive Director of CASA, Melanie is such an important member of our community for children.

Our January Lego day, went exceptionally well, and by popular demand we are doing it again in February! Mark your calendars for February 27, Lego day is happening again!

The Museum is also hosting a February fundraiser called the "Chain of Hearts." We have partnered with local businesses to sell hearts for the Museum. Each heart is only \$1.00, and it all goes back to the Museum! There is also a GoFundMe page set up as well (<https://www.gofundme.com/f/we-love-our-childrens-museum>)! The Museum has hearts for sale as well, for anyone who is interested!
